Your Guide To The Business Community And the Craig Chamber Of Commerce

You'd be surprised by what membership does for you

By **CHRISTINA OXLEY**
EXECUTIVE DIRECTOR

I'm often told by Chamber members that they're not exactly sure what membership does for their business.

That statement always concerns me. As a business consultant, I firmly believe that businesses should know exactly what they're getting when they write a check, but as the Chamber director, I am always gratified that a few minutes of conversation turns their statements to surprise and understanding.

There are a few investments businesses can make that compete with Chamber membership for value. The extent of benefits businesses receive far exceed the dollars they spend and today, I'd like to talk about the reasons for that.

Not everything the Chamber does benefits every business, but among the Chamber's multitude of programs and benefits, I have no doubt that every business will find several that more than justify their investment.

A Chamber's job is to serve, protect and promote its members. Most businesses join a Chamber for the marketing and promotion it offers their business. A Chamber has access to several different markets and we use them extensively to promote your business.

Internet

The first, and most extensive is through our website. The Chamber's website is one of the most highly visited in Moffat County. Residents log on looking for community events or business information and visitors and those thinking of relocating to Moffat County certainly use the Chamber's resources in their search for information.

All Chamber members get a listing in the business directory on our website. This directory sees up to 8,000 visits a month. The listing includes information about your business and services, links to your website or e-mail address, hours of operation and a map to show exactly where you're located.

That listing and that exposure generally more than pays for a business's membership.

Some Chamber members qualify for an enhanced website listing, which allows you to post your business logo and pictures, a longer description of your business and services and gives you more key words to improve searchability.

The Chamber makes contact with more than 13,000 visitors and residents each year. As a Chamber member, you can display your business cards or brochures in our offices and when our customers are seeking services, yours are the ones we recommend.

And, don't forget to draw even more attention to your business online by offering a hot deal. Businesses who offer hot deals are listed under the "hot deals" icon on the website and their business directory listing is highlighted with a "hot deals" icon, giving them a competitive advantage when listed against other businesses in their category.

The Chamber offers even more opportunities to draw attention to your business on our Website. Businesses can advertise on any page on our Website in a variety of ways. Call the Chamber if you're interested in marketing this way. We'd love to talk about your options.

Mail

Want to market by direct mail? If your focus is the local market, you have access to the Chamber's phone, mailing and e-mail list. If you want to target visitors, you have access to the Chamber's

An enhanced listing on the Chamber's website allows businesses to post their logo, business highlights, an extended description and most importantly, pictures of their business or products.

mailing list as well. Or, simplify by including your information in Chamber mailings!

We also offer several other marketing opportunities. As how to be included in the Chamber's Member Appreciation Day deliveries, how to get a listing on the chamber's Member-to-Member benefit cards or how to be included in the chamber's coupon book, which is distributed to residents and visitors alike.

In addition, the Chamber provides advertising opportunities that help you target your specific market.

Networking

Networking is one of the most effective, longest-lasting ways to use personal relationships and trust to extend your customer base.

The Chamber offers a multitude of networking opportunities through functions such as Business After Hours Mixers, Wake-Up Craig breakfasts, educational seminars and functions such as State of the County and

Crabfest. Not only will you and your employees enjoy these events, you'll have the opportunity to meet new people and establish new relationships that extend your reach as a business.

Sponsorships & Donations

Sponsoring Chamber events gives you an additional way to promote your business and to show your customers that their investment in you becomes an investment in the community.

The Chamber recognizes event sponsors in several ways: During the event with signage and in the event program, in all marketing before and after the program, in its newsletter and on our Website. And now, every Chamber event sponsor will be designated as such with a sponsor icon next to their business name in their directory listing making them stand out against the competition.

Watch next month for more ways that we can surprise you with all the Chamber does.

Your Chamber works for you

Northwest Title

530 Breeze St. Craig, CO
(970) 824-9427 • (970) 824-2305 (Fax)
e-mail: nwtitle@nctelecom.net

Number of employees: 7

Number of years in business: 90+

What is your specialty? Northwest Title Company provides real estate title and closing services for all types of Moffat County real estate transactions, including the sale and refinance of residential, commercial, agricultural and vacant properties.

What is your business philosophy?: We strive to deliver title products and closing services which are accurate, complete and secure. For most people, a real estate transaction is the biggest financial obligation of their lives. Large sums of money are frequently involved. We understand the importance of our role and maintain a dedicated and experienced staff, along with an independent title plant, to protect the interests of our customers.

Something about your business that people don't seem to know about? Buyers, sellers and/or borrowers make promises at closings concerning the status of real property. Title companies back up these promises with insurance. Therefore, don't be afraid to ask about the experience, reputation and claims history of your title company. Not all title companies are equal.

Consumers have the right to choose their title insurance company. Even if a consumer engages a lender who is not locally-based, borrowers can choose a local title company to provide title and closing services. Shop, investigate and compare.

Anything else you would like to add? Anything else you would like to add? Ultimately, our business rests upon trust. As Moffat County's only locally-based title company, Northwest Title Company provides an unmatched level of service, experience and knowledge to ensure that real estate transactions are understandable, accurate and secure. Our ownership and staff are committed to the people and economy of Moffat County. You can trust Northwest Title Company to satisfy all of your title insurance and closing needs at competitive prices.

Why shop local?

Local businesses invest more in our community.

Local businesses are proportionally more generous in their support of local charities, schools and community events. So supporting local shops means a direct financial impact on your community.

Ambassadors recognize exceptional customer service

By LOIS WYMORE
CHAMBER AMBASSADOR

One of the really fun things about being a Craig Chamber Ambassador is each month we get to nominate a local business, or an employee for going above and beyond to serve the consumer. It sets us up from a positive place to look for and recognize outstanding service. This month we have two local

establishments to cheer about and of course recommend to community.

Rich Tyser, owner of **Kester's Jewelers** has been serving consumers of the region for years with the kind of premium customer service the Ambassadors love to tout about. He is warm, friendly and certainly the local expert in his craft. We wholeheartedly recommend you visit Rich for any-

thing that has to do with jewelry. Kester's is at 530 Yampa Ave. in downtown Craig.

Our next winner is **Phil Vallem** at **Intermountain Appliance** located at 395 School St. (on the corner of School St. and 4th St.). Phil recently became the owner of the family business and has continued the long tradition of taking care of the customers. Phil and his staff go way

beyond what is expected when servicing or repairing appliances as well as always getting the consumer the very best product for the very best price.

And if you are looking for a really fun and valuable way to be involved in the community, we invite you to check into becoming a Craig Chamber Ambassador. Call Shannon or Rebekah at 824-5689 for more information.

Sunrise Kids earns high Qualistar rating

Sunrise Kids, LLC begins preschool classes Aug. 30. They offer preschool, and extended preschool hours for parents who work, to children ages 2-and-a-half through 5. Preschool scholarships through Moffat County School District are accepted at Sunrise. One class in the afternoon is designated for Head Start.

Sunrise Kids recently received its second high quality rating through Qualistar Early Learning. Qualistar collects information on five quality components family partnership, learning environment, training and education, adult-to-child ratios, and health and safety.

Enrollment is taking place right now and continues throughout the year. There is still plenty of time to enroll your child in preschool. Preschool provides early learning opportunities and helps prepare your child for success in Kindergarten and beyond.

For more information please contact Judi at 824-9307 or drop by anytime and discover what wonders our program can offer you and your child.

VNA has affordable health care options

Does your child need health insurance? Do you need afford-

able health care?

The Northwest Colorado Visiting Nurse Association can help you and your employees with:

- Health Insurance Application Assistance
- Immunizations
- Health Exams
- Birth Control
- Prenatal care

VNA employees will be stopping by area businesses to give information about affordable health care options for you and your employees.

Copy Shop-Computer Corner introduces newest technician

Jarod McCoy is the newest computer technician at The Copy Shop/Computer Corner.

Jarod started disassembling old computers to see how they worked in his teens.

Eventually that pastime turned

into learning how to build machines from scratch. He joined the Job Corps for their Information Technology (IT) class, to get experience for a job in the IT industry. After three years in Utah, he moved back to Craig and began working at Safeway. Five months later, he walked into The Copy Shop/Computer Corner and asked for a job.

Eight months later, he's enjoying his job and gaining even more experience.

"Customer service is the top priority here and that's the best part about my job," McCoy said.

The Copy Shop Computer Corner is the Yampa Valley's only BBB member for business machine Sale and Service.

Walgreens staff member recognized for service

Walgreens would like to recognize and thank Pharmacist Laura Mattingley for her 15 years of dedication and service to the Walmart Corporation.

Chronic pain can be treated

You go through your workday and your body gets sore. You wake up because of numbness or pain. Your time away from work is taken up by recovery. You wonder why because all you did was light activity all day. Maybe all you did was load multiple small items for the workday. Your arm does not work as well as it

use to.

Pain and discomfort with every activity. Play, work and even rest are dominated by this condition. You can't throw the ball or work with a tool the amount needed to call the effort good.

This situation is of a physical nature and very common. Talk with a health care professional who deals with physical conditions of this nature. Consider a Chiropractor. See if you qualify for this form of treatment and receive the more stable benefits that it may provide.

Local business offers a healthy way to lower cholesterol

Now you can lower your cholesterol naturally. Shacklee is offering a breakthrough product that takes the place of drugs with harmful side effects. This product lowers LDL (bad) cholesterol naturally. It has no artificial flavors, sweeteners, colors or preservatives. It is gluten free and beneficial to your overall health.

Learn more about Cholesterol Reduction Complex from Larry and Sharon Pletcher with Dynamic Ventures, you're local Shacklee product representatives. They can be reached by calling (970) 824-3980 or by e-mail at sewell@bresnan.net. Your optimum health is important to them.
